

Gamers Orbit

Gamers Orbit is a web application that helps gamers find other gamers that wants to play the same game for fun. Depending on the game picked, gamers can play co-op or battle against each other.

On the Gamers Orbit website

- Users are required to register

Once registered gamers can

- Make a profile
- See other Gamers profile
- Add Gamers as friends
- Use main lobby for chat
- Search a game to play with other Gamers
 - o Specific game lobby (chat will only consist of Gamers who have picked the same game)
- Choose a person(s) to play with
 - o Specific chat with the person(s) picked
 - o Voice chat is enabled

Objective

To provide Gamers a fun and safe environment for them to play games with other Gamers of their choosing.
